

# UNIPRESS

## 45HOX

## HOT HEAD OFF-SET UTILITY DRY CLEANING PRESS

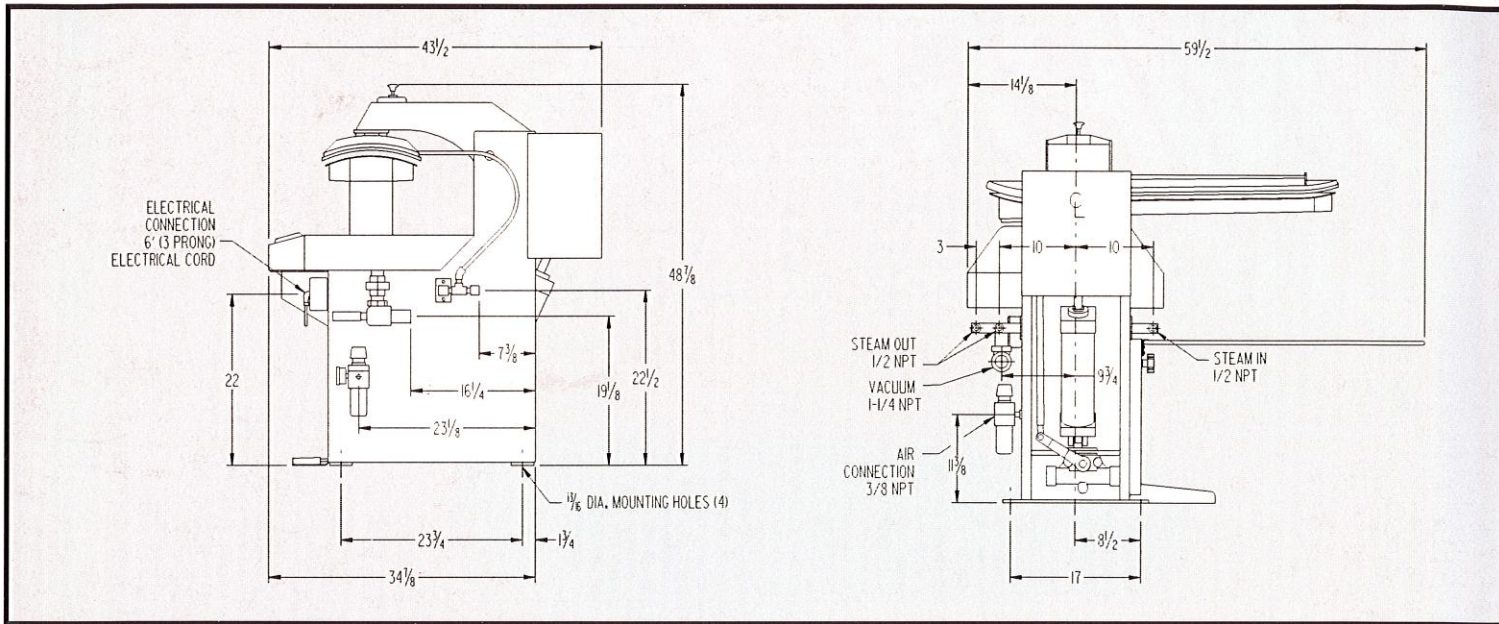

The Unipress model 45HOX is excellent for handling tough garments such as silk, linen, cotton, and ramie. The highly polished head and off-set table makes it fast and easy to beautifully finish these types of garments. The steam chamber is designed to evenly heat the head assuring a consistent high quality finish. Garments are easily maneuvered around the buck due to the off-set table.

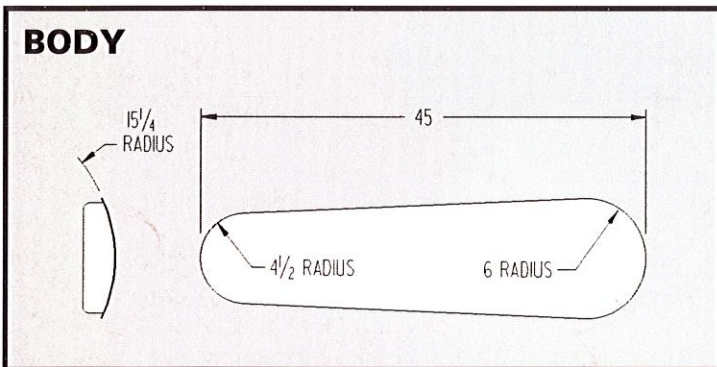

The 45HOX is truly a time saver plus it has many additional outstanding features:

- Wide Head Opening
- Fast Smooth Operation
- Off-set table
- Finger Tip Pressure Regulator
- Microprocessor Controls With Self Diagnostics
- Heavy Duty Steel Frame Construction

# 45HOX TECHNICAL DATA
